

# Park Bench

a comfortable,  
durable bench that's  
maintenance free!

This **elegant concrete bench** with back support offers an attractive, modern, yet durable and simple design that allows it to fit well into many different settings. This exceptional site furnishing is meant for accessibility and heavy use, but doesn't sacrifice good looks and comfort.

Our premium concrete benches offer the best of both worlds: maximum durability and minimum maintenance.

Available in 4' and 6'
